

ENABLE-IT 670 S-VIDEO & AUDIO EXTENDERS

Enable-IT 670 Video Extension Solution

S-Video & Audio

- **Audio (stereo)**
- **Video (S-Video)**

**Extends S-Video
cabling and RCA audio
up to 657ft or 200m.**

**Small footprint for
simple installation**

**Saves costs of re-
wiring and expensive
video repeater
equipment.**

**Plug and Play
installation allows
rapid connectivity of
your extended A/V
link.**

**Audio is delivered in
Stereo, not mono.**

**Video resolution
480i/480p DC to
8MHz bandwidth.**

No power required.

The Enable-IT 670 S-Video A/V Extender is a unique product that leverages digital technology to drive industry standard S-Video and RCA Audio signals to 657ft or 200m over any Category rated cabling. This cost-effective solution eliminates many of the limitations and high costs for extending expensive wiring for A/V signals today.

The 670 A/V Solution is a pair of Ethernet line drivers that utilize a existing Category rated wiring between each 670 A/V Extender. Works with shielded twisted pair (STP) and unshielded twisted pair (UTP) CAT5 cabling. Plug and Play use, no programming required.

The Enable-IT 670 A/V solution is comprised of two extender units that can be used interchangeably-one is installed near the video signal source, the other to be placed near the desired display, up to an impressive 657ft or 200m away.

The kit includes an installation/mounting kit, as well as 2 x S-video cables for equipment attachment.

HIGHLIGHTS

- Extends composite audio and video up to 657ft or 200m from source
- Enables A/V connectivity to remote source at a fraction of the previously costly options
- Operates over CAT 5 Shielded or unshielded cabling
- Plug and Play operation right out of the box.
- No software or power adapter required.

FEATURES & SPECIFICATIONS

Features:

- Kits ships with wall mount adapter and power supply.
- Can be used in home or commercial applications as a fast, and cost-effective means of connecting S-video video equipment.
- Ideal for classrooms, projectors, video cameras, tradeshow, and retail.

Warranty: 1 Year warranty

Color: Black

Product Height: 0.94 in [24 mm]
Product Length: 4.33 in [110 mm]
Product Width: 3.03 in [77 mm]

Product Weight: 16.24 oz [460 g]

Regulatory: FCC, RoHS, CE, WEEE

Operating Temp: 0 – 50C / 32 -122F

Connectors:

- 1 x RJ45 Female (local and remote unit)
- 1 x S-Video video female connector (local and remote unit)
- 1 x Stereo RCA audio connector (local and remote unit)

Video Adapter Includes 2 x S-video cables for equipment attachment
